for a position. Any kind of employ-
ment will satisfy.

mature plans for a sugar bag factory
near Kapiolani park.

Chambers were married at the Method-
ist parsonage last evening.

Morgan will sell the American schooner
"Twilight," 175 tons register.

hold its regular meeting at 10 a. m. to-
morrow. Important business.

On account of the rain the training
of horses at Kapiolani park track has
entirely ceased for the present.

Edward Colton, an engineer on the
Oahu railway, and Miss Caroline Even-
son, of Kauai, were married yesterday.

The first deep sea fish which have
been caught since the storm were dis-
played for sale at the market today.

John H. Pierce has been admitted to
practice law in the district courts of
Hawaii and in the circuit courts at

The Board of Health visited Kewalo

the contract for the storm sewer on
Alakea street between Halekauwila
and King, at \$3.52 per lineal foot for
the lower and \$2.80 for the upper parts.

A movement is on foot to have Queen
street extended out to the loper station
in order to relieve the congested con-
dition of Kaihi. It is not known whether
the proposed extension contemplates
the erection of a bridge across Nuuanu
stream.

The street in front of the new
Stangenwald building is being heavily
paved. This is partly for the improve-
ment to the street but chiefly to shut
Merchant street water out from the
basement of the building.

THE DRESSY MEN

Who Want
Correct Shirts

This store is becoming a men's store as
well as a women's store. And why, indeed,
shouldn't men consult their pocket books when
they buy, as well as women? This week we're
going to give every man a chance to save
many dollars on his shirt bill for a year to
come. This wise:

We have placed on our counters and in
our makai window, our entire shirt stock, and
they're going, gentlemen, going

Every Shirt at 75 cents

without reserve or hold over.

Now these shirts are not old plugs or
relics of the product of '95. They are up-to-
date shirts; just such shirts as regular fur-
nishers charge \$1.50 and \$2.00 for. We're
selling them in a lump, so we can afford to
take less than he.

THE LARGE SIZES predominate,
hence stout gentlemen, who sometimes find it
hard to get suitable patterns in 16 or 17, will
have great fun among this stock.

In conclusion—If you can't come in your-
self, let your wife come and pick out a few for
you. Shirts are not like cigars and this is too
good an opportunity to be missed.
